## 26. Game Rules and Regulations

### Team Creation Rulesets

- Select 11 players (Cricket & Football) or 7 players (Kabaddi) to form your fantasy team with 100 credit points. However, you can only choose a maximum of 10 players (Cricket), 7 players (Football), or 5 players (Kabaddi) from one team.
- Users have to select at least one player from each category. For example, in cricket, choose at least one Wicketkeeper, one Batter, one All-rounder, and one Bowler. Follow the same process for other sports.
- Once all players are selected, choose captain and vice-captain of your team. While the captain gets 2x the points, the vice-captain gets 1.5x.
- It is important to note that the lineup is public information. While we display it using the best sources available, we recommend verifying it from your own sources as well.

## **How to play Fantasy Cricket ?**

The 11 players should include at least a wicketkeeper, a batter, an all-rounder, and a bowler. Pick two players to be the captain and vice-captain of your team. Choose them wisely - they can multiply your points, increasing your score.

## **What are the rules to create a playing 11?**

- You need to create your fantasy team using 100 credit points only
- You cannot choose more than 10 players from a team
- You have to pick all the skills (wicketkeepers, batters, all-rounders, bowlers) for a team
- After selecting a team of 11, you have to choose a Captain and Vice-Captain

## **What is the importance of a captain and vice-captain?**

Choose the best players as the captain and vice-captain for your team. While the captain gets 2X score (twice the points earned) of his performance, the vice-captain earns 1.5X score (one and a half times the points earned). Select players you think will perform well and gain you bonus points.

## **How to calculate the points in Fantasy Cricket**

- Each player in fantasy cricket gets 4 points each for being a part of team 11
- Captain gets 2X points
- Vice-captain gets 1.5X points
- No points are allocated to a player during a Super Over

## **Bonus points are awarded on:**

- Boundary

- No points are deducted if your bowler is dismissed for a duck

**Understanding the Points System in Fantasy Cricket**

**New Points System**

(Applicable from March 4, 2023)

Let's take the example of the first T20I between India and Sri Lanka that was played on January 3, 2023 to understand the new points system:

Player	Points
Ishan Kishan (C)	116
Shubhman Gill	10
Deepak Hooda (VC)	102
Wanindu Hasaranga	61

Ishan Kishan is assigned as the captain, meaning his points (58) are doubled. He earned 37 points from 37 runs scored, 3 bonus points for scoring 3 fours and 4 bonus points for 2 sixes. His strike rate was 127.59 and hence

no points scored for it. He took one catch to earn 8 points from it, and was involved in an indirect run out, which earned him a further 6 points, making his total to 58 points.

Deepak Hooda is assigned as the vice-captain, meaning his points (68) are counted as 1.5x. He scored 41 runs, earning him 41 points; his 1 four and 4 sixes earned him 1 and 8 bonus respectively. His striker rate was 178.26, earning him a bonus of 6 points. He was involved in run-outs twice with other players involved, hence earning a bonus of 12 points. Thus, his total points come out to be 68.

### Old Points System

In Fantasy Cricket, points are scored by each player as per their performance in the live match. Let's take the example of the fifth ODI between India and West Indies that was played on November 1, 2018.

Sunil Ambris	0
Shimron Hetmyer	7
Ravindra Jadeja (C)	112
MS Dhoni	6
Jason Holder	15.5

Jasprit Bumrah	31
Kuldeep Yadav	17

Ravindra Jadeja is assigned as the captain, meaning his points (56) are doubled. He took 4 wickets for 34 runs in 9.5 overs. He earned 48 points for his 4 wickets, 2 bonus points for 4-wicket haul, 2 points for being in the playing 11, 2 points for a maiden over, and 2 bonus points for maintaining an economy between 3 and 4.5.

Virat Kohli scored 33 runs off 29 balls, including 6 fours. He earned 16.5 points for his 33 runs, 3 bonus points for 6 fours, 1 bonus point for maintaining a strike rate between 100 and 149.9, and 2 points for being in the playing 11. He also took a catch, for which he got 4 points. In all, he earned 26.5 points.

### **After the Match Ends**

You will find the final score and rank of your team in the Completed tab. The winning positions are announced as per the ranks of different teams. These ranks are finalised based on the points accumulated by the joined teams as per the player's performances in live matches. Let's understand this better with an example:

### **Consider the following contest details:**

- Total winnings - ₹ 3,00,000
- Contest Size - ₹ 200
- Winners - ₹ 100
- Entry Fee - ₹ 2000

### **Prize break-up:**

- Rank 1: ₹ 1,00,000
- Rank 2: ₹ 60,000
- Rank 3: ₹ 20,000
- Rank 4-10: ₹ 5,000

- Rank 11-100: ₹ 1,000

Once the deadline for joining a contest is over, the prize break-up is calculated again. This calculation is based on the actual number of teams who joined the contest. These teams will have a fixed rank on the basis of the points accumulated.

So, if you participated in the contest and your team achieved a rank between 1 and 100, you won. The amount corresponding to your rank is your winning amount. The cash prizes, however, are different for different contests. The amount you win will reflect in your account after 4 hours.

### **How to play Fantasy Football ?**

- Each player in Fantasy Football gets 4 points for playing at least 55 minutes

- Red card
- Yellow card
- Penalty miss
- Own goal

- He had 1 assist → 20 pts.
- He completed 30 passes → 6 pts.
- He did not concede any goal and got a clean sheet → 20 pts.

- He played for 90 mins → 4 pts
- He scored 1 goal → 40 pts
- He completed 20 passes → 4 pts
- He got a Yellow Card → -4 pts
- He had 4 shots on goal in total → 24 pts

- He played for 54 mins → 2 pts
- Completed 60 passes → 12 pts
- He had 2 shots on goal → 12 pts

### **After the Match Ends**

You will find the final score and rank of your team in the Completed tab. The winning positions are announced as per the ranks of different teams.
